

Lambrequins, éléments d'encadrement

Eco-Tab / Eco-Tab BE, Eco-Rav (E 1:10)

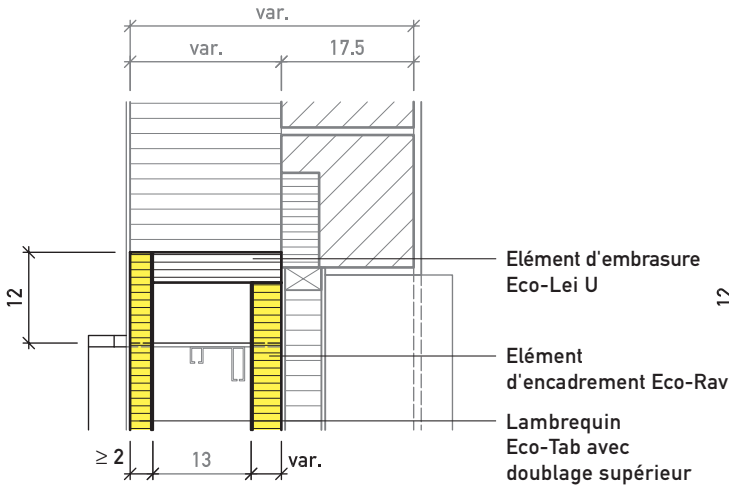

Coupe verticale de la fenêtre

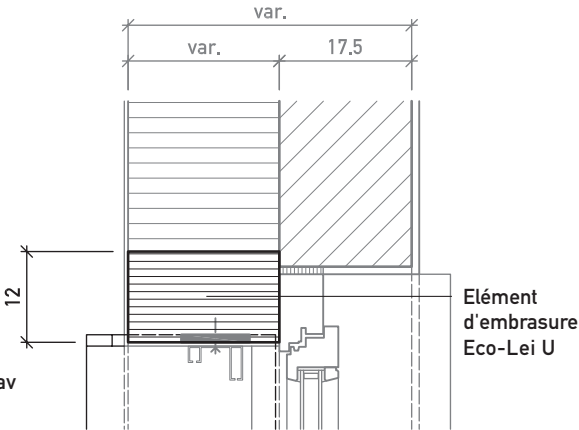

Coupe verticale de la porte

Coupe horizontale du linteau

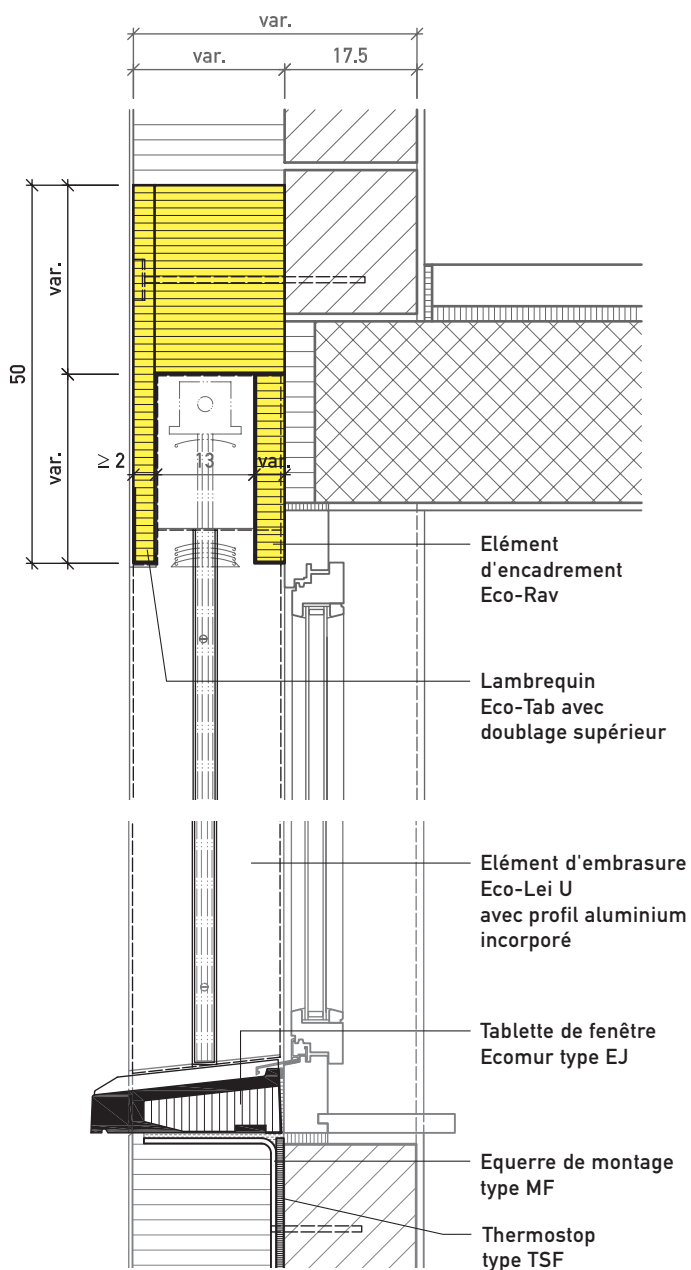

Coupe horizontale de l'embrasure

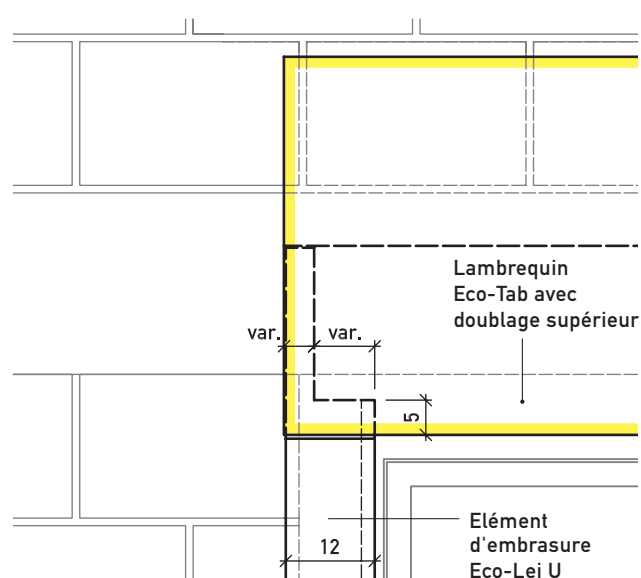

Lambrequins, éléments d'encadrement

Eco-Tab, Eco-Rav, devant la tête de dalle (E 1:10)

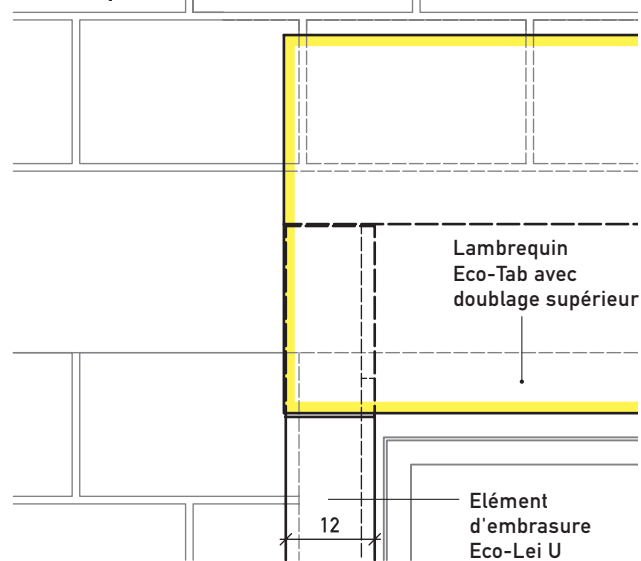

Coupe verticale de la fenêtre

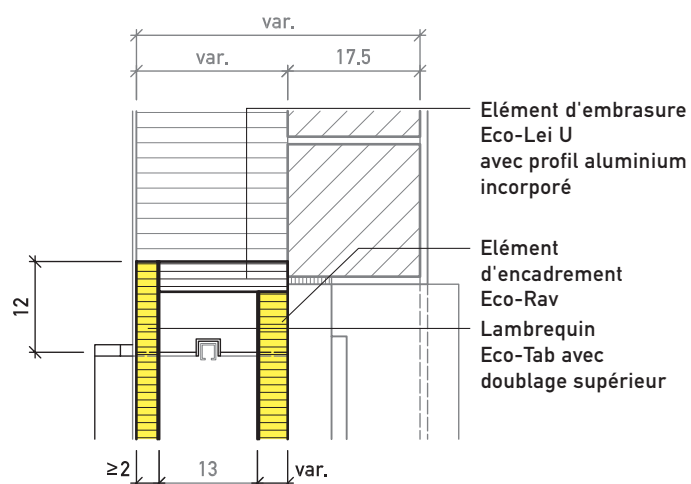

Vue de l'extérieur, au niveau de la manivelle

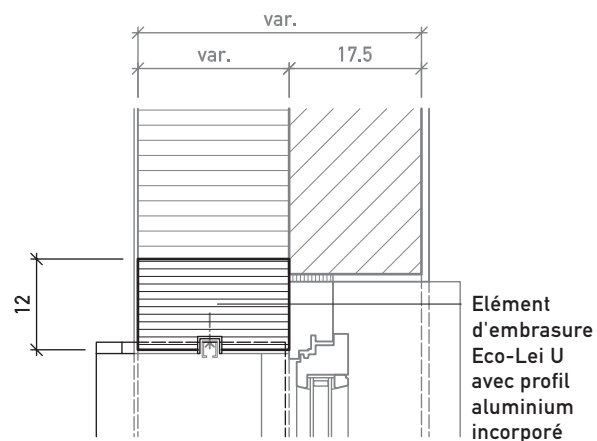

Vue de l'extérieur, au niveau de la commande électrique

Coupe horizontale du linteau

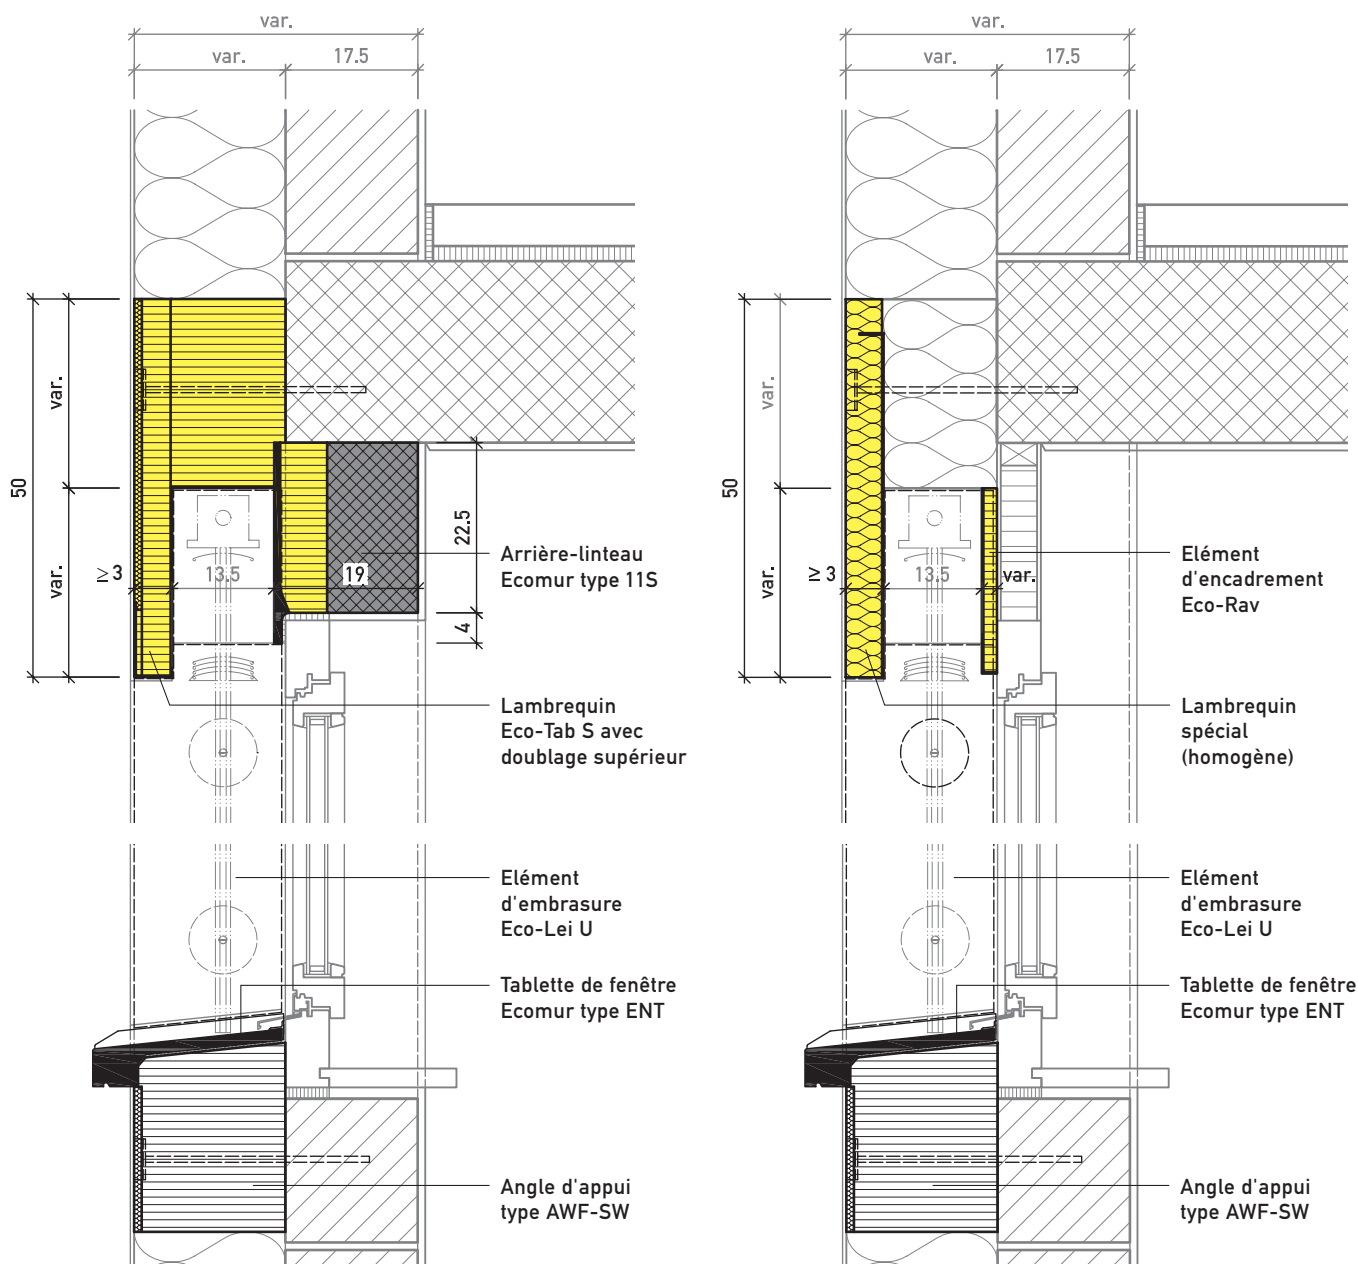

Coupe horizontale de l'embrasure

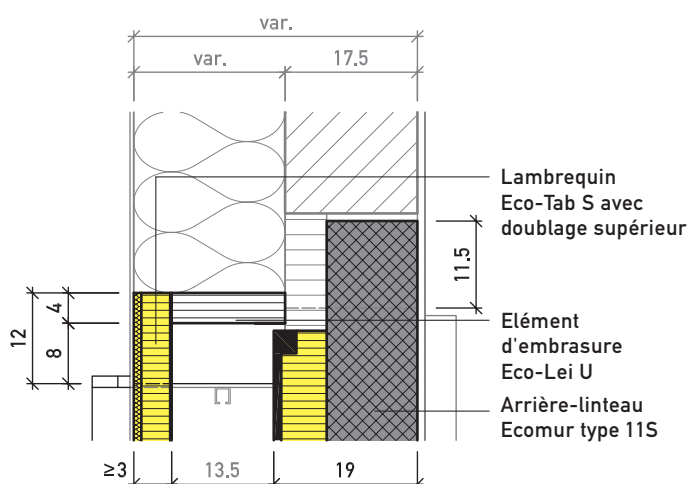

Lambrequins, arrière-linteaux

Eco-Tab S, lambrequin spécial, Ecomur type 11S (E 1:10)

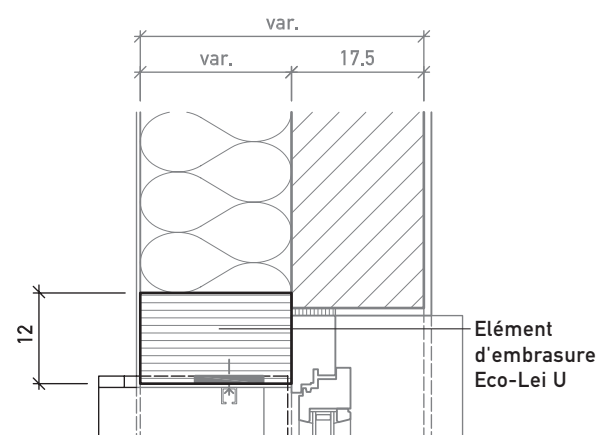

Coupe verticale de la fenêtre

Coupe horizontale du linteau

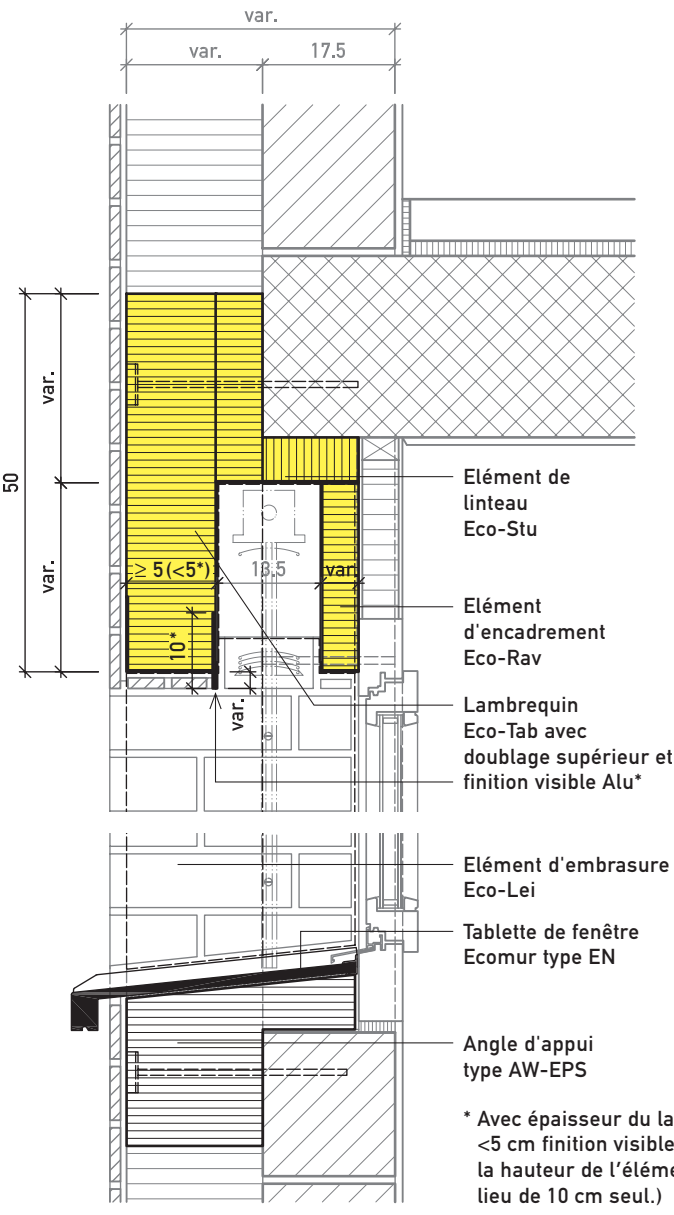

Coupe horizontale de l'embrasure

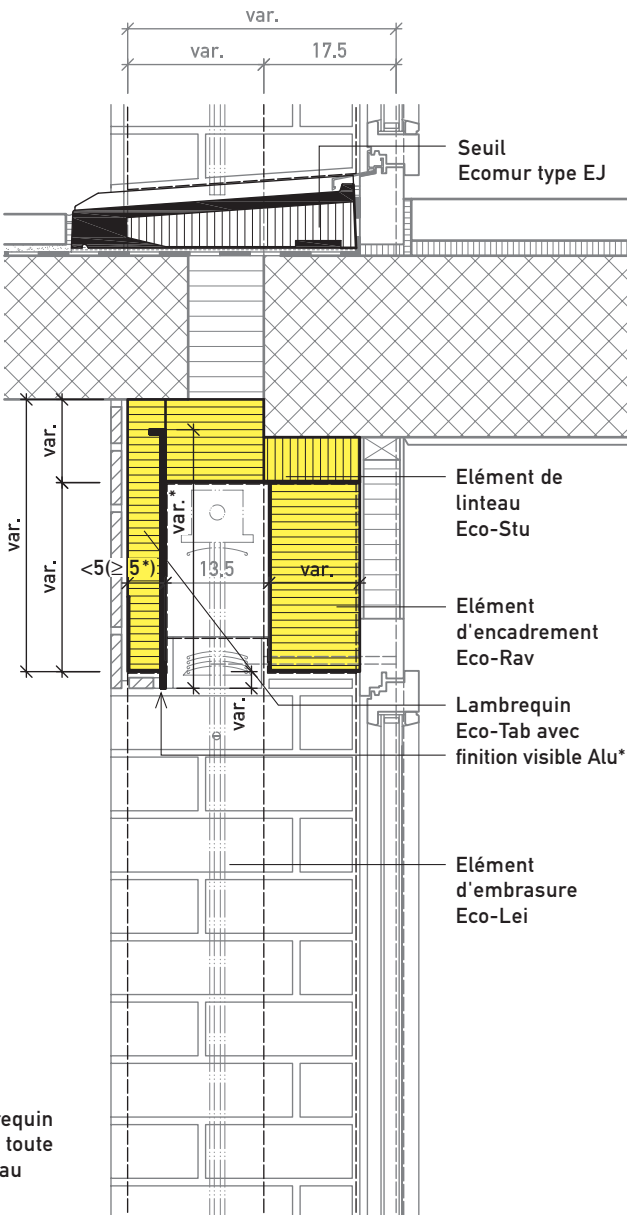

Lambrequins, éléments d'encadrement, éléments de linteau

Eco-Tab, Eco-Stu, Eco-Rav (E 1:10)

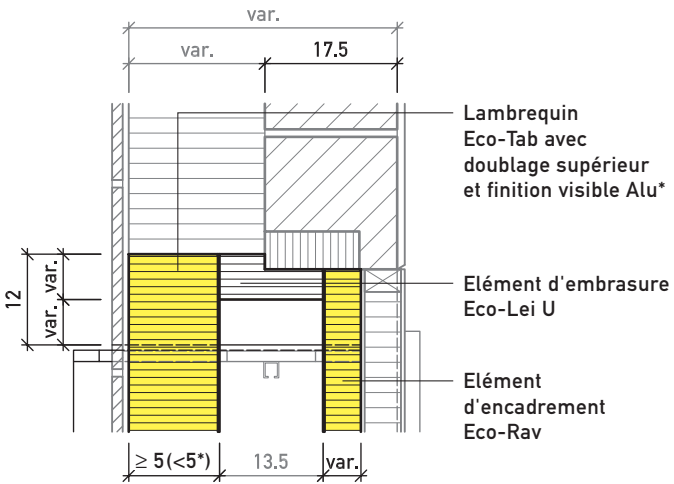

Coupe verticale de la fenêtre

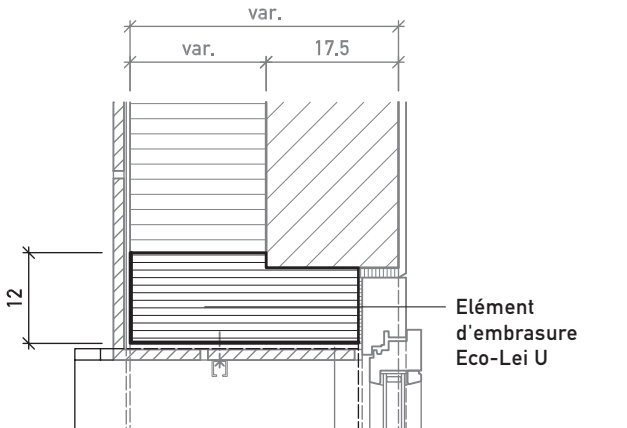

Coupe verticale de la porte
(variante épaisseur du lambrequin < 5 cm)

Coupe horizontale du linteau

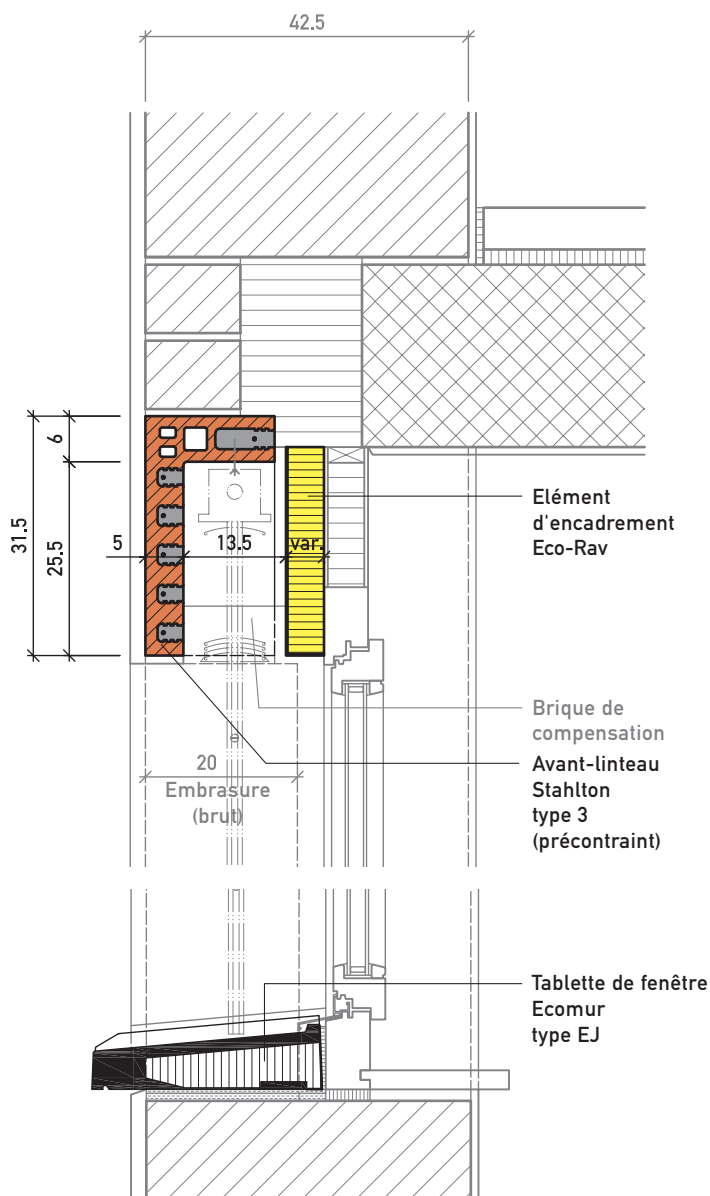

Coupe horizontale de l'embrasure

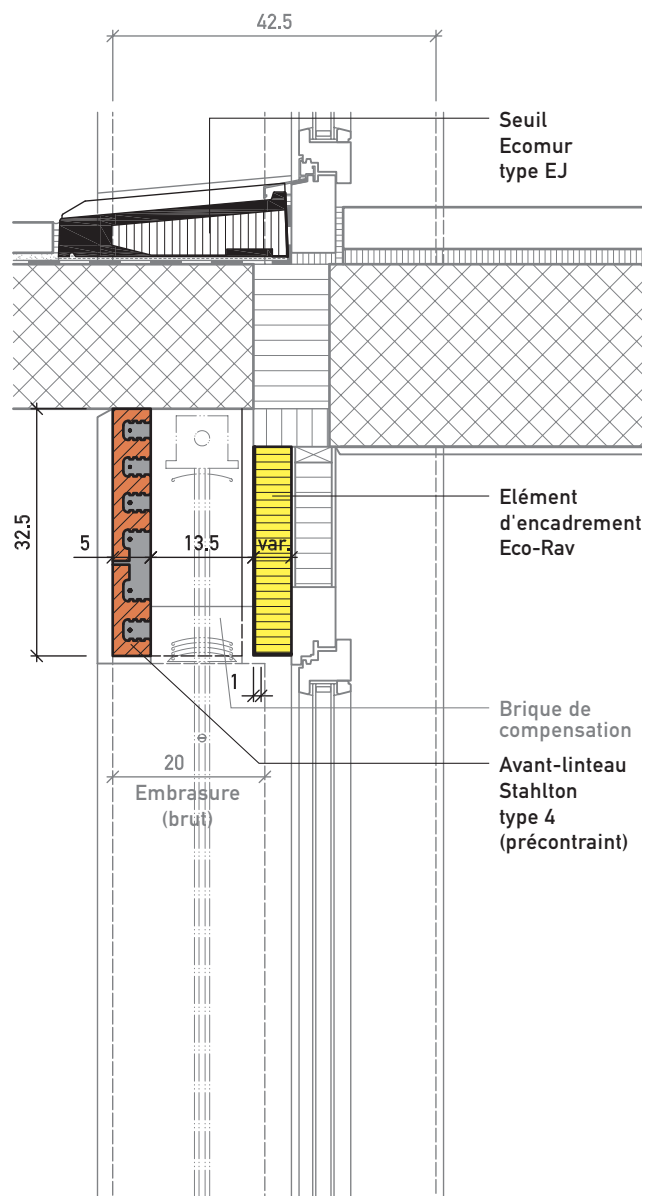

Avant-linteaux, éléments d'encadrement

Stahlton type 3, Eco-Rav (E 1:10)

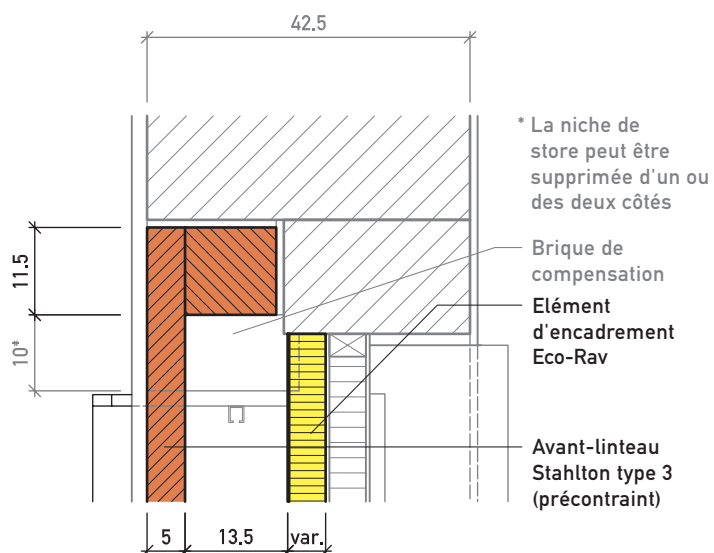

Coupe verticale de la fenêtre

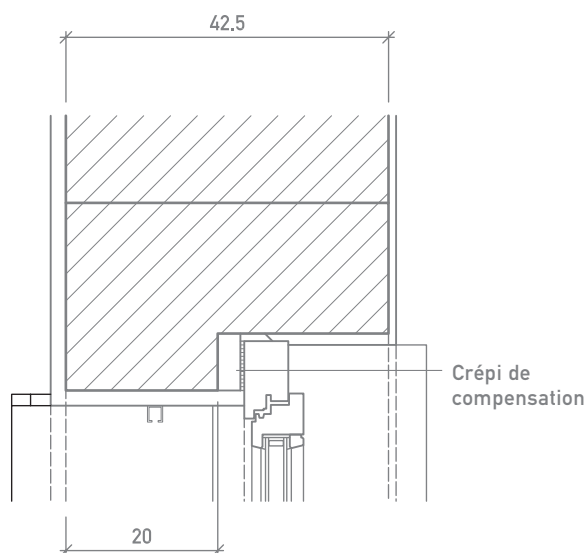

Coupe verticale de la porte

Coupe horizontale à travers le linteau

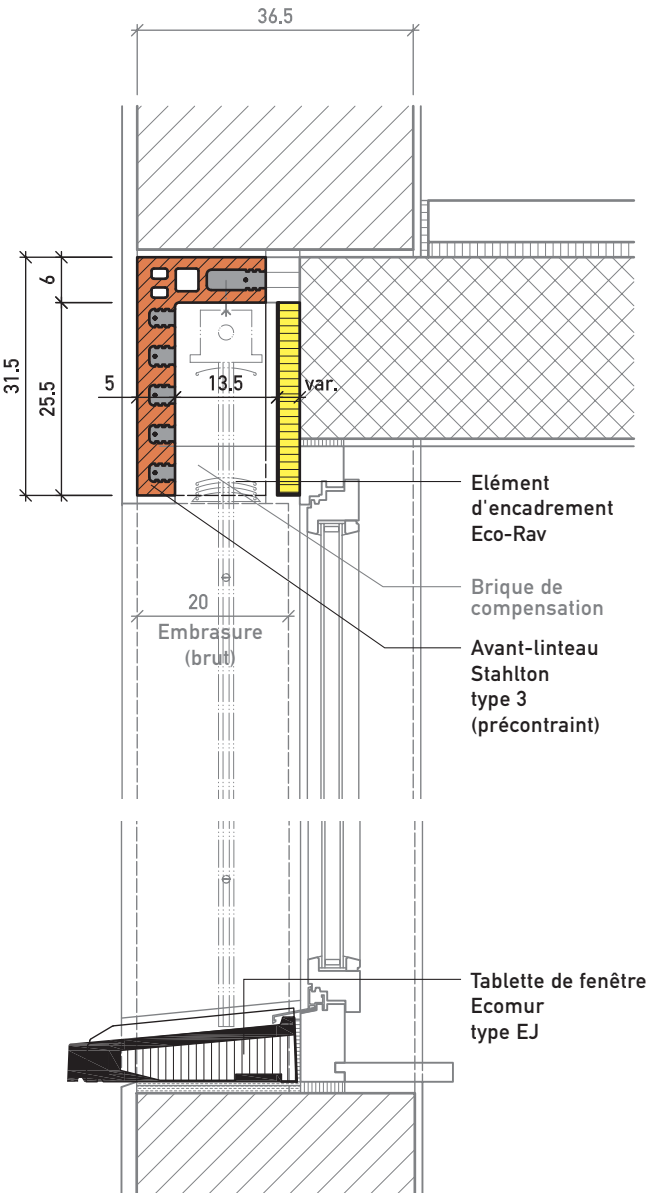

Coupe horizontale de l'embrasure

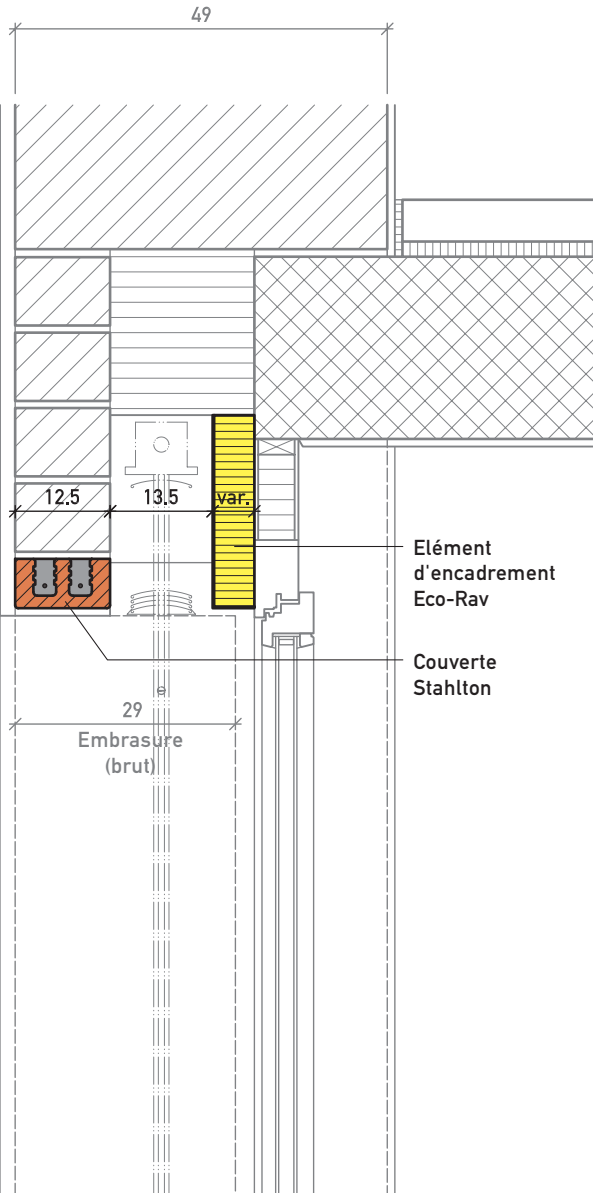

Avant-linteaux, éléments d'encadrement

Stahlton type 3, couverte Stahlton, Eco-Rav (E 1:10)

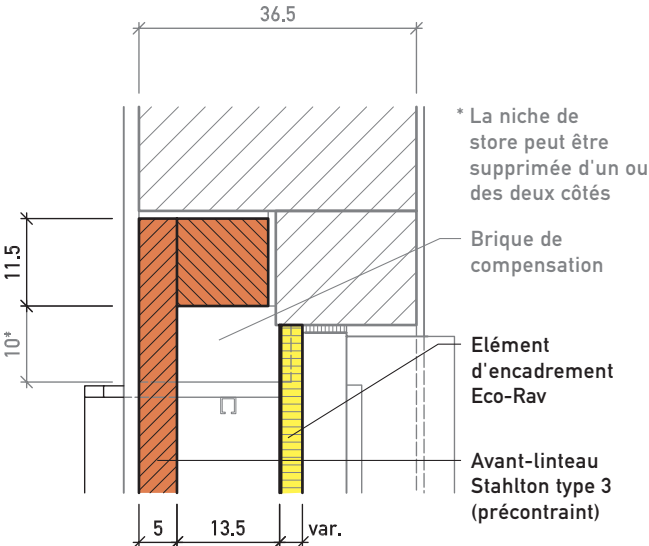

Coupe verticale de la fenêtre

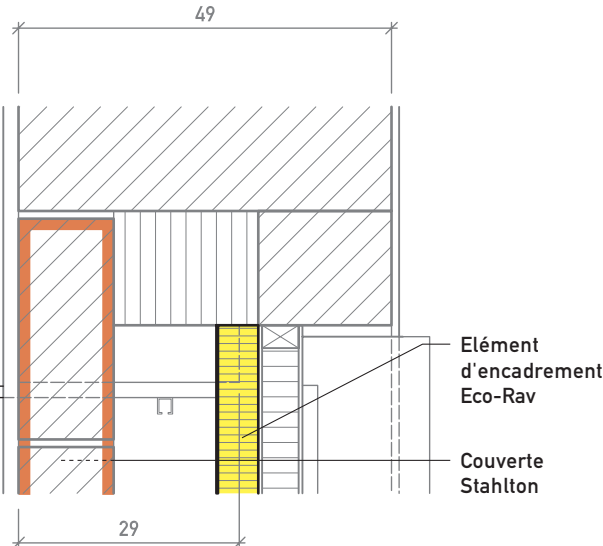

Coupe verticale de la fenêtre

Coupe horizontale à travers le linteau

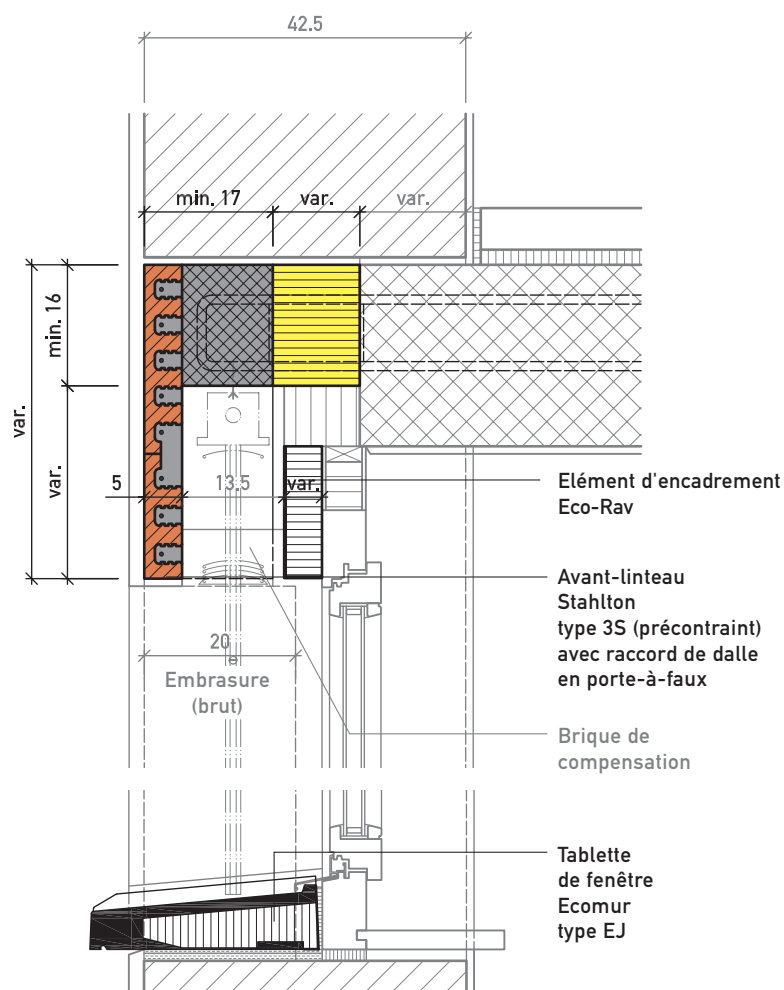

Coupe horizontale à travers le linteau

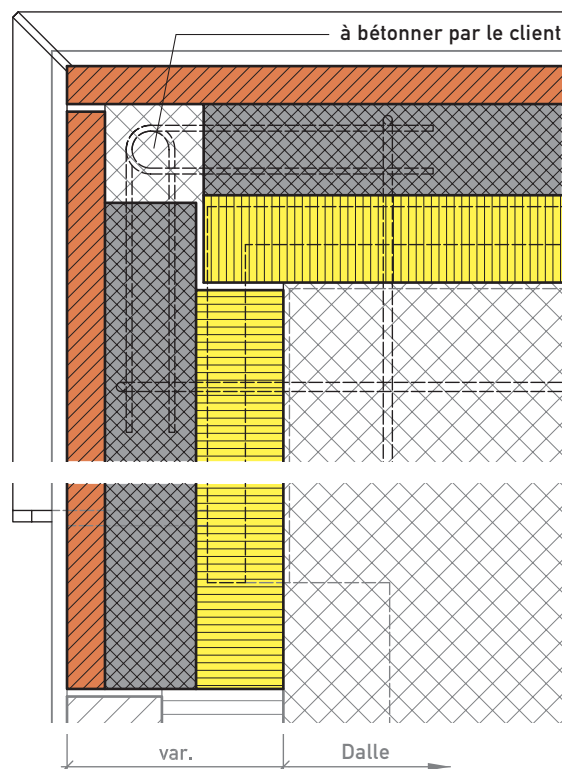

Avant-linteaux, éléments d'encadrement (solution d'angle avec raccord de dalle en porte-à-faux) Stahlton type 3S, Eco-Rav (E 1:10)

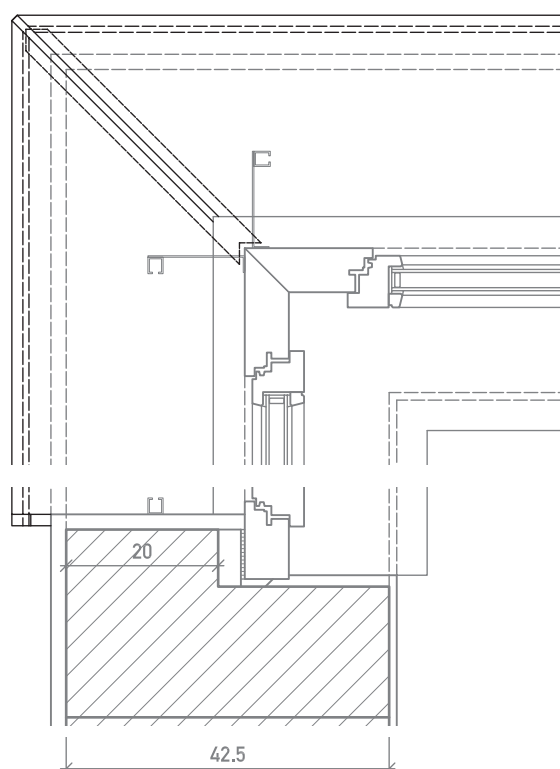

Coupe verticale de la fenêtre

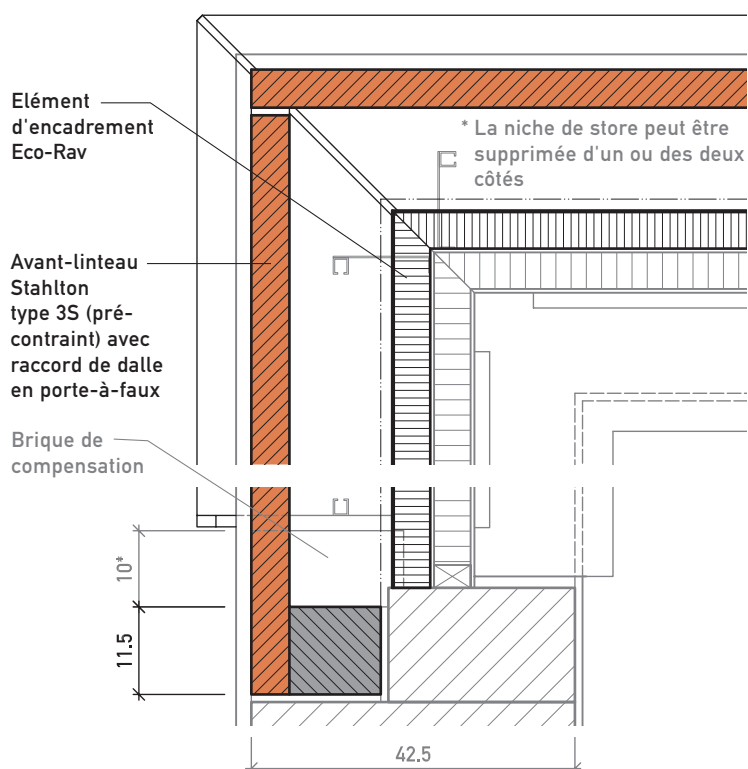

Coupe horizontale sur le couvercle du linteau

Coupe horizontale de l'embrasure

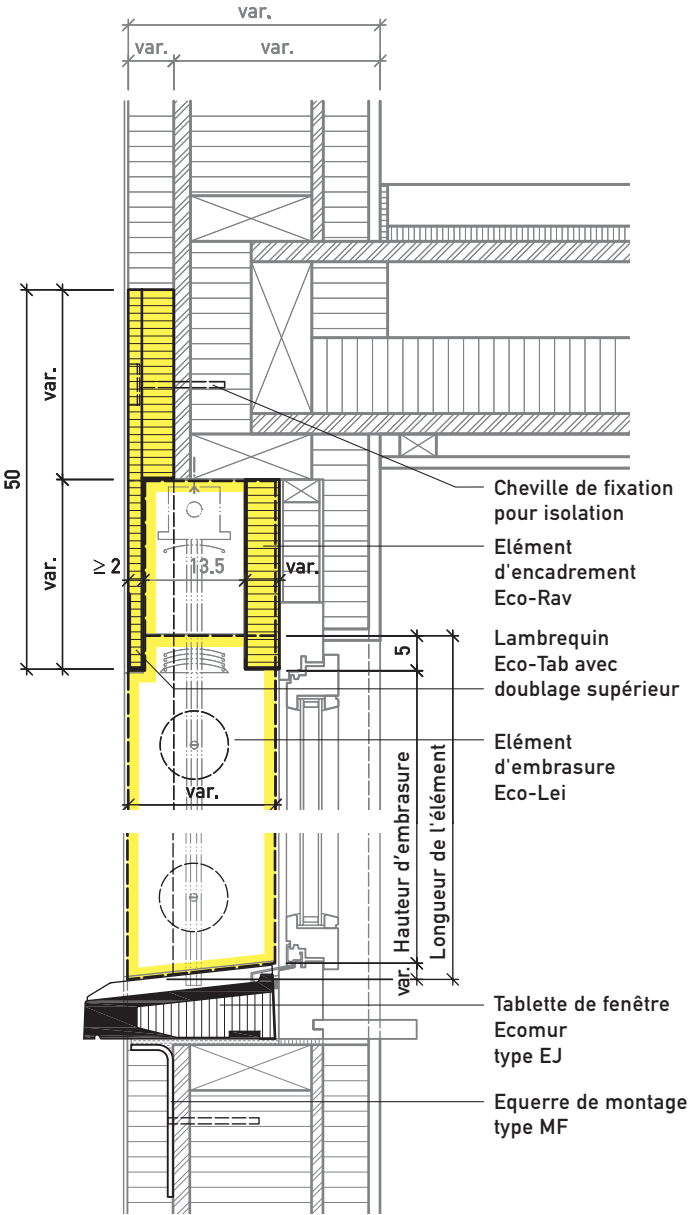

Coupe horizontale sur la planche du linteau

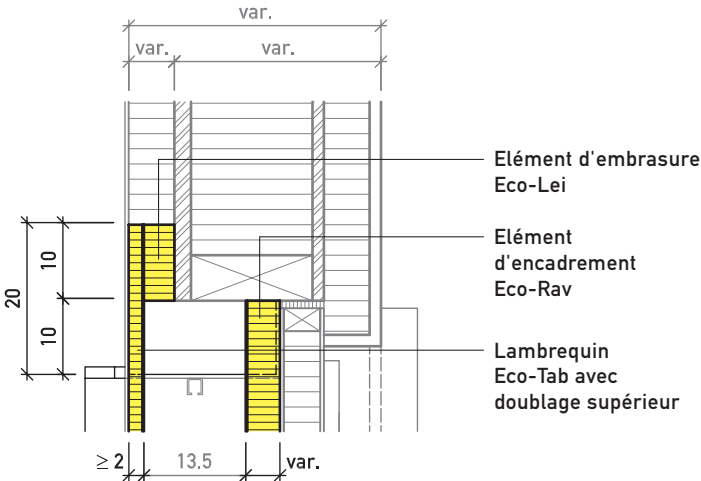

Lambrequins, éléments d'encadrement, éléments d'embrasure

Eco-Tab, Eco-Rav, Eco-Lei (E 1:10)

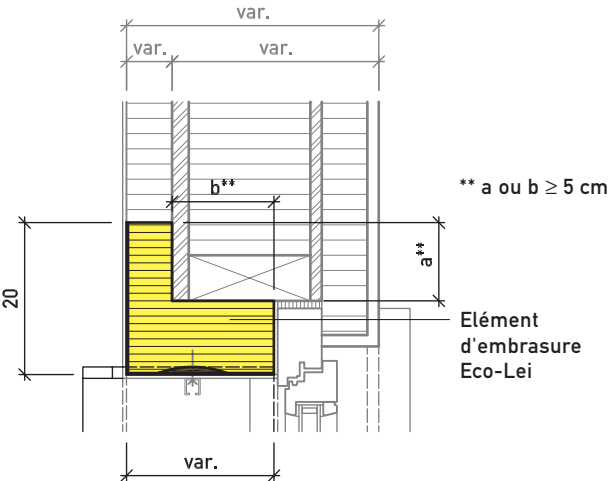

Coupe verticale de la fenêtre

Coupe horizontale à travers le linteau

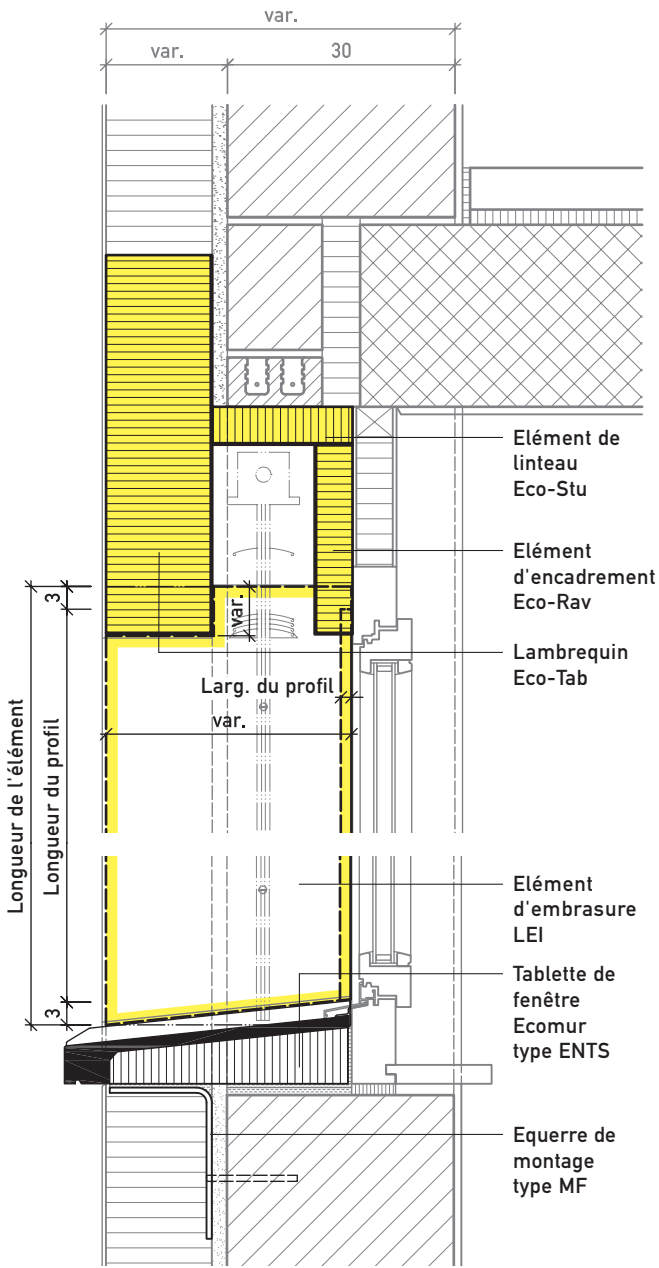

Coupe horizontale de l'embrasure

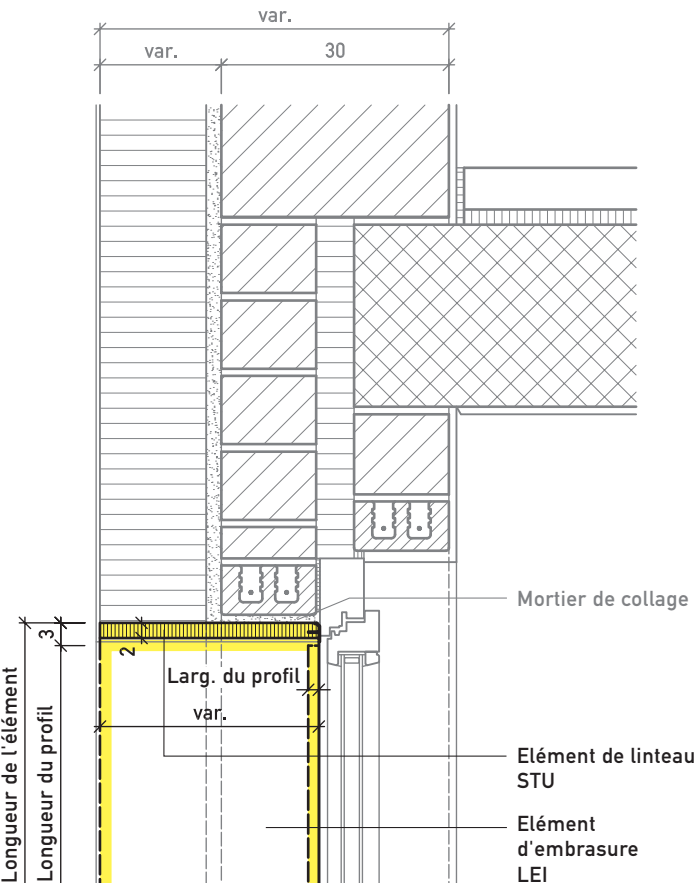

Lambrequins, éléments de linteau, éléments d'encadrement, éléments d'embrasure Eco-Tab, Eco-Stu, Eco-Rav, LEI / STU (E 1:10)

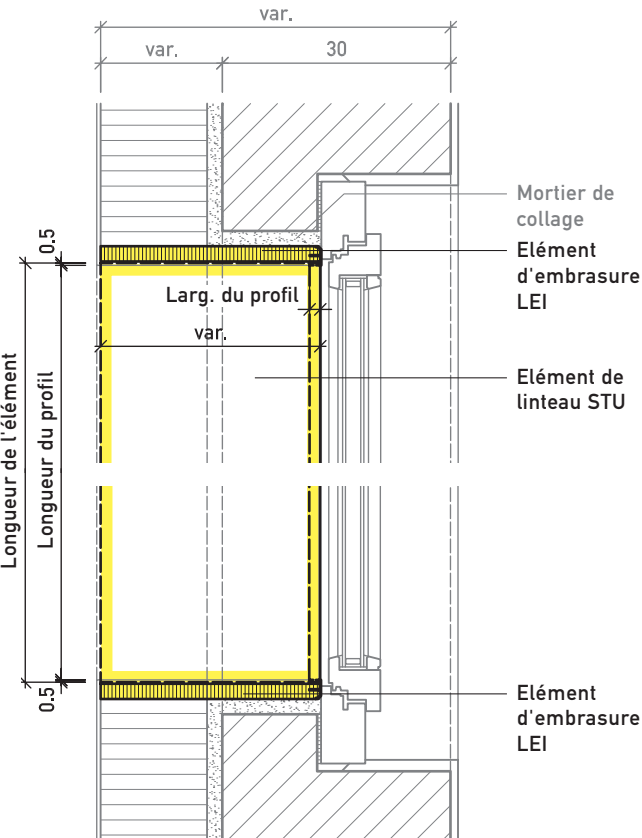

Coupe verticale avec élément d'embrasure LEI
Solution avec linteau évidé

Coupe verticale avec élément de linteau STU
Solution avec linteau plein

Surface inférieure élément de linteau STU

Coupe horizontale de l'embrasure
